Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program

policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)
